It's the same with all the boys. Anty Drudge told us about Fels-Naptha-how it dissolves the grime and grease: and you only use lukewarm or cool water. Saves money and makes our wives happy."

"Wear" is nothing but "rubbing." Every time you hard rub your clothes against anything, little particles are rubbed away.

Boiling softens the fibre of cotton, linen, silk and wool, and when rubbed hard on the washboard they wear away faster than at any other time.

Try to think how many days of wear are represented by one trip to the oldtime washtub.

Fels-Naptha requires neither boiling
